POWER MEETS COMFORT

Go further than you thought possible.

J7's advanced 1.6 TGD engine delivers turbocharged power and precise fuel injection, for faster acceleration, smoother driving, and more Kilometers per tank

Command any road with confidence.

Adventure doesn't wait for the perfect conditions: Switch through seven AWD modes that tame rough terrain or city streets.

Safety that never sleeps.

Surrounded in protective steel, up to 7 airbags, and more than twenty ADAS features, protection isn't an added feature in a J7 - it's part of its identity.

Bask in panoramic light.

Enjoy the serenity and openness of J7's ultra-quiet glass and panoramic sunroof, for a journey as wonderful as any destination.

Luxury in every detail.

Vented and heated leather seats, ambient glow, memory features, and clever storage. Every inch is designed for your comfort so every drive feels first class.

Tech that keeps up with you.

State of the art digital cockpit, SONY audio, and 50W wireless fast-charging mean you stay connected and ready for wherever the road or day takes you.
